# 2010 Tatur Mud Run Tent Application

## Tent Rules

I will not set up a tent that is larger than a 10x10 pop-up. Larger tents require a permit from the city.

I will not hang any banner in a manner that is blocking the view of spectators or participants.

No merchandise is to be sold from the tent without prior approval from race management.

No "hard selling". If race management receives complaints about over-aggressive pushing of product, samples, membership etc., your group may be asked to leave.

All groups will be required to properly secure all tents regardless of wind conditions and/or forecasts.

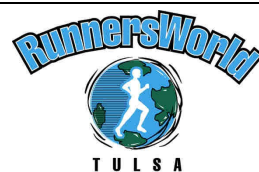

\$250 fee for the 10x10 tent spots are non-negotiable, but entitles group to supply coupons, flyers or other small promotional material in the race packets (swag bag).

Tent fees can be mailed or dropped off to RunnersWorld Tulsa at 4329 S. Peoria, Tulsa OK, 74105.

Applicant has paid in full \$250 for a premium 10x10 tent site for the 2010 Tatur Mud Run . Applicant agrees to abide by all rules stated below and understands that race management has the right to dictate where said tent may be set up. Applicant agrees to keep this flyer taped to the tent for the duration of the event.
